

# Creativity is imagining what you could do because you were made in God's image.

Read Colossians 1:16

DAY  
1

## Purpose Full

God created each of us for a special reason. What's yours? Are you an artist, athlete, or a good listener? Ask a parent or friend if you have a hard time thinking of something. Think of a way that you can use your purpose to help others. If you are an artist, draw someone a picture. If you are an athlete gather some friends and start a game.

Whatever God created you for—use that to help someone else! Know that God created you with the purpose to help others.

DAY  
2

## Who's Who

This week, we learned about Queen Esther. God chose Esther to do a pretty big thing! Below is a list of names and a description of different people from our story. Draw a line so that each name matches the correct description.

Esther	1. Esther's Jewish cousin that raised her after her parents died.
Mordecai	2. Chosen as queen and helped save the Jewish people.
King Xerxes	3. The king's helper who wanted all of the Jewish people gone.
Haman	4. Powerful person who agreed not to hurt the Jewish people after Esther asked him not to.

Think about this... what is one way you can do the right thing just like Esther did the right thing?

DAY  
3

## The Next Right Thing

Esther did the right thing when she asked King Xerxes not to hurt the Jewish people. We might not be kings or queens, but we can always do the next right thing. Below are three situations. Either draw a picture or write down what you think the right thing to do is.

- 1) You have a friend who can't find their pencil and the test is about to start. What's the right thing to do?
- 2) Your little brother is really sad that he lost his favorite stuffed animal. What's the right thing to do?
- 3) Your stepdad asked you to help with the dishes, but your favorite show is on. What's the right thing to do?

Remember, you can always ask God to help you make the right choice.

## Creator of All

Colossians 1:16 says that God created everything. Even though it may not always feel like it, God is always in charge. Make a list of your five favorite things that God created:

1. ....
2. ....
3. ....
4. ....
5. ....

Now, spend a few minutes thanking God for all He created!

God created you for a purpose.
