

“Faithful: Fueling Your Faith in a World on Empty

Pastor Kyle Plew

Group Discussion Guide

WEEK 3 | *That Person*

People of faith are in our life to remind us who we are, where we’ve come from, and where we are going.

READ Hebrews 10:23-25

23 Let us hold unswervingly to the hope we profess, for he who promised is faithful. **24** And let us consider how we may spur one another on toward love and good deeds, **25** not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.

RESPOND

1. Why do you think proximity is important when it comes to fueling our faith? Have you noticed your faith getting stronger and weaker depending on who you spend the majority of your time with?
2. Have you ever had someone come into your life at just the right time or dura defining moment in your life? If so, share that story.
3. Have you ever been that person for someone else? If so, share that story.
4. Do you believe in the idea that God can divinely intervene in our lives? Pastor Kyle shared that these moments give us: *insight, encouragement, hope, and perspective*. Which one of those four do you need most right now?

REALITY

Staying connected to a community of faith grows our faith.

DO THE STUFF: When You Feel Disconnected from Faith

Say these words: *Jesus, help me that person of faith someone needs this week.*

Think this thought: *I won't lose my faith, instead I'll find other people of faith to invest in.*

Pray this verse: *"Let us hold unswervingly to the hope we profess, for he who promised is faithful."*

PRAY

Close your time in prayer.

Depending on how you answered the fourth **RESPOND** question: ask God to give *insight, encouragement, hope, or perspective* to those in the room who need it.
