

Hope is believing that something good can come out of something bad

Jeremiah 29:11

DAY
1

HOPE

Write an acrostic for the word Hope. First, write the letters h,o,p,e down a piece of paper. Then, write out or draw four things you can hope for by using each beginning letter.

LOOK for ways that God is still working around you.

DAY
2

Hope-scotch

Lay out some papers with numbers 1-10 on them. While you are hopping to your number, shout out things that you hope for! Ask your friends or family to play with you!

KNOW that you can find your hope in God.

DAY
3

He Knows Your Plans

Read this week's verse aloud and then talk with someone in your house about some plans that you would like to have come true. Like what you want to do when you grow up or what you want to do for the rest of the day.

ASK God to show you what plans to follow.

DAY
4

No Matter What

God knows your future and no matter what happens, God is still working. Pray and thank God for always working.

~~~~~  
"Dear God, Thank You for always working things out for good. You know what the best thing is for me and Your plans are always right. Thank You for all You do for me. Amen"

~~~~~  
ASK God to show you the plan He has for your life.

Whatever happens,
remember God is
still working.
